IPSA Presidential Address

issues of academic freedom, measures regarding gender and diversity, norms and procedures concerning ethical conduct.

Academic freedom

Academic freedom by far is not a new problem, but the challenge for our community has increased in recent years, and not only in authoritarian, also in some democratic countries. Moreover, the methods of limiting academic freedoms and the freedom of speech have become somewhat subtler. In 2016, IPSA created an Ad-hoc Committee on Academic Freedom that I transformed into a permanent committee
